

35th Annual Production Sale

November 23, 2013 • 10 a.m. • At the Farm

This year, we feature our best two CC&7 daughters from his first calf crop. Our cow offering this year will be younger and more powerful than ever. The two fall yearling bulls pictured are just a sampling of one of the strongest sets of bulls we've ever produced. Sale book and our web site will include yearling data on the fall bulls. Genomic information and updates will be posted to www.sydgen.com as soon as it is available.
