

FATE . . .

- . . . is destined to become the kind of sire that can make a lasting contribution to the breed, bringing a genomic and EPD profile that adds value to his progeny for virtually every measurable trait.
- . . . is phenotypically above reproach, with excellent docility, scrotal and libido.
- . . . ranks above the top 10% for 16 different EPDs and bio-economic indexes.
- . . . is the highest-selling bull in SydGen history at \$113,000 for 2/3 interest and full possession, and is now co-owned with Malek Angus Ranch, Highwood, MT; Slovek Ranch, Philip, SD; Pitts Angus Farms, Hermitage, MO; Gary Wall, Billings, MT; and Sioux Pass Livestock, Grass Lodge, MT.

Semen is available at \$30 per unit.

We had a great day at the Missouri Angus Futurity!

Thanks to Jar Licker Farm and Boot Hill Farm, Hamilton, MO for their purchase of SydGen Forever Lady 1825, the top-selling female at \$18,500. This maternal sister to Trust, sired by CC&7, had a heifer calf at-side by Lunesta that sold for \$4,000 to Blair Carney Angus, Adair, IA. Our yearling heifer by Dealer sold for \$5,300 to Schroeder Angus, Clarence, IA.

Yearling SydGen bulls to sell this spring!

We will sell 15 SydGen bulls; and 50 bulls and 15 heifers from cooperating breeders in the 9th Annual SydGen Influence Sale at New Cambria, MO on April 12. Included will be a maternal brother to FATE, and sons of Trust, CC&7, Dealer, Whiskey, Magnitude, and many other SydGen Sires.

Semen on these and other SydGen sires can be ordered direct from us at 573-581-1225, with volume discounts available on most sires, and free shipping on orders over \$500. All sires referenced on this page can be accessed through the ORigen network, including most independent semen distributors, and more information can be found at www.origenbeef.org and at www.sydgen.com, where EPDs are updated weekly. Sires with CSS semen available can also be accessed through representatives of ABS Global.

"Trust is one of the more widely-used American sires in New Zealand and Australia and we love the bull and his progeny! Trust is our type of bull—thick, easy doing, docile, perfect feet, full of red meat and safe to use on heifers." — Guy Sargent, life member of the New Zealand Angus Association, who has been inspecting cattle in the USA every year since 1984 for importation to New Zealand.
