

These proven dams all sell on November 22, 2014!

36th Annual Production Sale, 10 a.m. at the farm

As always, our annual sale includes a virtual dispersion of our seven-year-old cows, along with several younger cows, many of which have served as donors here. Featured here are some of the highlights from the spring-calving division.

The Number 2 Marbling EPD daughter of Corona in production in the breed. Her fancy January heifer calf by PA Power Tool, pictured with her, will also sell. 7214 sells bred to Connealy Cool 39L. Connealy Cool 39L will be on the Montana Angus Tour at Big Dry Angus Ranch, and will be at SydGen by sale day.

The sale offering will also include about 60 fall-calving pairs, 50 spring bred heifers, 90 fall yearling heifers, 40 spring heifer calves, 80 January bull calves and 135 fall yearling bulls. Our customers will offer about 300 head of commercial bred heifers in the 17th Annual SydGen Influence Heifer sale on the evening of November 22.
