

Consigning our Best... to the Missouri Angus Futurity

February 21-22, 2015 • Columbia, MO

This year, we're offering a maternal sister to last year's top-selling female that brought \$18,000 to Jar Licker Farms and Boot Hill Farms, Hamilton, MO. She's a two-year-old daughter of SydGen 928 Destination 5420 "Whiskey," and out of SydGen Forever Lady 4413, the dam of SydGen TRUST 6228, DEALER 9883 and COMMISSION 1851, as well as the dam of the \$22,000 flush to Express Ranches in our 2012 sale. 4413 records 48 progeny scanned at 107 IMF ratio and 105 REA ratio.

Other maternal sisters to 2780 have sold for \$16,500 to Basin Angus and Turner Meadow; for \$15,500 and \$7,000 to the Eversole Family; and \$8,000 to Seven T Farms.

"Whiskey" daughters are known for being extremely nice uddered, functional females, and this rare and valuable sire whose semen has sold for \$600 per straw, records HP and REA EPDs in the top 3% of proven sires, \$W in the top 10% and \$B in the top 1%.

Beautiful Dealer show and cow prospect from the Rachel family that originated as one of the "pick" heifers from the GDAR herd at Sidney, MT. They have been exceptional for their calf raising ability coupled with excellent udder structure, and are always highly sought-after in our production sales. Dam records 3 BR-99, 3 WR-114, 2 YR-109, 2 IMF-109 and 2 REA-103.

SydGen Forever Lady 4413

Dam of TRUST, DEALER, COMMISSION and SydGen Forever Lady 2780.
