SydGen FATE 2800 17521423

CED	BW	WW	YW	SC	DOC	HP	CEM	MILK
+6	-.7	+59	+107	+2.57	+25	+13.1	+10	+30

- Ranking high on his genomic-enhanced EPD profile for virtually every measurable trait, FATE is the top-selling bull in SydGen history at \$113,000 for two-thirds interest and full possession in our 2013 offering, to Slovek Ranch, Philip, SD; Malek Angus, Highwood, MT and Pitts Angus, Hermitage, MO. A share was later sold to Sioux Pass Livestock, Lodge Grass, MT.
- FATE is the kind of "no holes" bull that can make a lasting contribution to the breed, and his fall calves on the ground exhibit the calving-ease, style and growth that one would expect.
- His dam and his full sister have served as donors at SydGen and he has been used extensively across the country. We expect his fertility, style and soundness to make his progeny highly sought after in the future. We will have Fate yearlings and calves selling in our November production sale.
- Semen available at \$24.

Thank you to the buyers of our consignment to the 2015 Missouri Angus Futurity, Jar Licker Farms, Cameron, MO, purchased the top-selling female, a two-year-old daughter of "Whiskey" out of the dam of Trust, at \$20,000. Her calf at side, by GAR Missouri was individually the fourth high-selling female at \$10,000 and teamed with her mother to be the top-selling pair. She sold to Thunder Valley Farm, Elsberry, MO. Our January yearling daughter of Dealer, out of a Connection daughter, brought \$9,000 to Belle Point Ranch, Lavaca, AR.
