

37th Annual Production Sale

November 21, 2015 10 a.m. • Mexico, MO

Preview of the Fall Bull Division

These candid photographs taken on August 1 give you a glimpse of the herd bull prospects we will offer in our upcoming sale. They are developed on grass through the summer, on Purina Accuration Grower, then transitioned to silage and hay in early September, after yearling weights and scans are taken. Visitors are always welcome. We hope to offer about 140 head of these bulls on November 21.

SydGen Wake Up Call 4446

Number 2 Adj. WW calf of the entire natural calf crop, by the maternal brother to CC&7, Googol and Jack Daniel.

SydGen 5420 Destination 4423

Direct son of "Whiskey" out of a Missouri Futurity top-selling cow by CC&7 out of the dam of Trust.

SydGen CC&7 4397

Son of the Docility legend, out of the \$53,000 top-selling cow of our 2014 offering, EXAR Joy 12571.

SydGen Jack Daniel 4629

Sired by the "Whiskey" son of 4087, out of a daughter of the \$65,000 Midland 2010 sale-topper, SydGen Contract 9410.

SydGen Missouri 4696

From the first Missouri calf crop, out of a two-year-old Liberty daughter that is a maternal sister to the \$53,000 SydGen DOC 9017.

SydGen Fate 4777

From the first calf crop by the \$113,000 SydGen FATE 2800, out of the dam of the \$43,000 SydGen For All.

SydGen Big Medicine 4401

Son of the \$34,000 top-selling bull in our 2012 sale, out of a daughter of the Australian sire Kennys Creek Sandy S15.

SydGen Black Pearl 4681

By the internationally acclaimed Black Pearl, this son is out of a daughter of the lead bull in the 2010 National Western Grand Champion Carload, WK Reward 9302.

The sale offering will include 60 January born herd bull prospects, about 60 fall-calving pairs, 35 spring-calving cows, 35 spring heifer calves, nearly 100 fall yearling heifers, and 45 bred heifers due next spring.

We plan to offer from 200-300 head of spring bred commercial heifers in our 18th Annual SydGen Influence Commercial Heifer Sale, later that night.
