

Like Fine Wine . . .

The legacy of 315 grows stronger with each passing year. At the 2002 National Western, his power was apparent. A grandson sired the Grand Champion Female; a daughter produced the Grand Champion and top-selling sale bull at \$30,000; a son sired the top-selling female in the Foundation Female Sale at \$21,000; and a daughter produced the top-selling heifer pregnancy at \$12,000.

In the AAA database, a grandson is the top IMF bull of the breed, and a grandson is the top proven marbling sire of the breed.

315 is still the bull to use to create a strong genetic foundation of multi-trait superiority and structural soundness.

VDAR New Trend 315 • January 6, 1988 - September 27, 1999
