SydGen Forever Lady 2352

One of the many top females to be offered this year, combining low BW genetics with considerable power and maternal value, 2352 is due in September to SydGen Triumph. Her top 2% ranking on the \$W index is anchored by BW, YW, and \$B Values in the top 10% of current dams, and her three natural calves have averaged 116 at weaning and 113 at yearling. This top daughter of the Pathfinder® Sire SAF Focus of ER has averaged 7 transferable embryos per flush.

SydGen Royal Queen 2468

The most massive and powerful daughter of the legendary 5084, six flush brothers to 2468 averaged \$18,166 in our 2003 offering, and this female offers incredible phenotype along with her big EPD spread. Sired by Twin Valley Precision E161, she is due to calve in September to the record-selling Connealy Forward, and will be fresh and ready for the donor pen. 2468 has averaged 9 transferable embryos per flush.

SydGen Forever Lady 4556

This daughter of 2352 was the record-selling half-interest female at \$24,000 in the 2007 Missouri Angus Futurity to Schuring Cattle Co., Andover, SD, and she will have progeny selling in our November sale.

SydGen Royal Queen 6052

This daughter of 2468 was one of the top-selling heifer calves in our 2006 event at \$10,500 to Deer Creek Angus, Ottumwa, IA.

Three Trees Forever Lady 0487

The dam of 2352, she was the top-selling bred cow of our 2007 Production Sale at \$15,000 to Snake Creek Ranch, Morrill, NE.

This maternal brother to 2352, sired by a maternal brother to 2468, was the top WW, top YW, top REA scan, and top-selling bull of our 2007 calf crop at \$15,000 to JK Angus, Montrose, SD and Dikoff Ranch, Onaka, SD.

SydGen Power Source 7017

Plan to be with us on November 22, 2008, as we unveil the newest generation of Sydenstricker Genetics. More than 500 head will sell. Semen and AI certificates always available on our herd sires. Call 573-581-1225.
