

Their Proof Continues to Soar . . .

The two top-performing bulls from the January 2006 SydGen calf crop, these powerful young sires have soared to the top of the sire summaries with their first complete progeny proof. They combine multi-trait excellence with superior phenotype.

SydGen Mandate 6079 [AMF-NHF]

Reg. No. 15337433

CED	BW	VWV	YW	SC	CEM	MILK
+14	-1.5	+71	+124	+68	+11	+25

Owned with TK Angus, Gordon, NE. This moderate framed, long-bodied Objective son has captured the imagination of many top breeders. He offers true-blue calving ease with incredible growth, good scrotal, and excellent docility. He is one of only 5 proven sires to rank in the top 1% on both the \$W and \$B indexes, and the only one with a negative BW EPD. \$20 per unit.

SydGen CC&7 [AMF-NHF]

Reg. No. 15330743

CED	BW	VWV	YW	SC	CEM	MILK
+7	+2.1	+66	+126	+1.10	+7	+26

Owned with Hoover Angus, Tingley, IA. This powerful son of Connection combines eye appeal with tremendous thickness and muscle, and is the Number 1 proven sire for docility. He is the 7th highest proven sire for \$B. 35 sons in the 2009 Hoover and SydGen sales averaged \$7641. \$25 per unit.

These three proven sires are being used heavily in our program, and their first progeny were well-received in our 2009 sale. They have achieved powerful early proofs on the Sire Summary.

Connealy Forward [AMF-NHF]

Reg. No. 15491633

CED	BW	VWV	YW	SC	CEM	MILK
+10	+1.6	+57	+112	+57	+11	+23

Owned with Three Trees Ranch, Sharpsburg, GA and 7L Farms, Wiggins, MS. FORWARD has gained momentum with his ability to sire thick, good-doing progeny that are sound and very complete in their make-up. 23 sons in our November sale averaged \$5,974, and his 7 daughters averaged \$7,086. \$30 per unit.

SydGen Trust 6228 [AMF-NHF]

Reg. No. 15354674

CED	BW	VWV	YW	SC	CEM	MILK
+11	+2	+58	+95	+75	+11	+26

Owned with JMJ Ranch, Hollis, OK. TRUST has surfaced as an extraordinary sire of muscle as well as carcass quality. TRUST posted the the highest actual and adjusted IMF scan in his contemporary group along with a 15.6 REA to help him earn an elite profile for carcass merit. We regard him as exceptionally sound, good footed and easy fleshing. \$16 per unit.

SydGen Turbo 6684 [AMF-NHF]

Reg. No. 15553710

CED	BW	VWV	YW	SC	CEM	MILK
+7	+2.1	+74	+124	+55	+6	+27

TURBO posted the top weaning and yearling weights in his contemporary group, gaining 4.71 lbs./day, then ratioed 118 for IMF with a 15.5 REA to ratio 103. Deep quartered with exceptional length, TURBO was named the 2008 Missouri State Fair Grand Champion Bull. His first progeny proof has earned him VWV and YW EPDs at the top of the breed, and his January sons in our November sale averaged \$5,875. \$20 per unit.

For more information on these proven sires and several promising young sires, order an ORigen directory by calling 1-866-867-4436, or go to their website at www.ORigenbeef.org.

Semen and additional information is available direct from us by calling 573-581-1225, and by visiting our Web site at www.sydgen.com. Free shipping is available on orders totaling \$500 or more, and volume discounts are available. All AI Certs are \$40.

Semen is also available from most local semen distributors through the ORigen network, and from representatives of ABS Global.
