

Powerful Fall Bred Donors sell on November 19

These three donors headline the 50 proven fall pairs in our fall sale offering. We will sell about 200 herd bull prospects and 300 registered females.

Tremendous stats on this Lead On donor out of a full sister to B/R Ambush 28. She has 3 BWR-98, 3 WWR-106, 2 YWR-106, 7 IMF-115 and 7 REA-100. Her exceptional EPD profile ranks her in the top 1% for Marbling EPD, top 3% for \$B and top 5% for \$W. She has produced 64 transferable embryos in 6 flushes, with 6 embryos selling in the foundation female sale to Dr. Nold in SD for \$6,600. Her son, SydGen Sure BET, topped the 2008 SydGen Production Sale at \$60,000 to Basin, Express and Three Trees, and went on to sire several top-selling sons and daughters in our 2010 Production Sale. Another son was selected at \$10,750 by Rocking P Farm in WV. 5668 is due in late September to SydGen Survivor 7651.

Top-producing daughter of GAR Expectation 4915 whose grandam is a full sister to BCC Bushwacker 41-93. She has 4 BWR-108, 4 WWR-110, 4 YWR-106, 4 IMF-111 and 4 REA-103. She adds growth and substance to her progeny.

5133 has been flushed once, producing 11 transferable embryos. She is the dam of SydGen Anita 8611, the top-selling female of the 2011 Missouri Angus Futurity at \$20,000 to Borkowski Angus Farm in IA. Another daughter by SydGen Bullet is one of our very top fall-bred heifers this year. 5133 is due in late September to SydGen Survivor 7651.

High-volume daughter of GAR Grid Maker who was a favorite of many on the 2010 BIF Tour. She has 5 WR-88, 5 WR-102, 5 YR-101, 6 IMF-109 and 6 REA-105.

3427 is proven as a herd bull producer. SydGen Power Source 9503 was selected by Double Creek Farm, Meridian, TX from our 2010 offering, while other sons have sold to Tehama Angus Ranch, Gerber, CA; Express Ranches, Yukon, OK; Mogck & Sons, Olivet, SD; and Chad Smith, West Plains, MO. She has been flushed three times, producing 16 transferable embryos. 3427 is due in October to SydGen Liberty GA 8627.
