## SydGen Barbara McHenry 4019

CED	BW	WW	YW	SC	DOC	HP	CEM	MILK
+7	+2.3	+71	+124	+1.25	+27	+13.5	+11	+33

This powerful "Whiskey" bred heifer will be offered as a Buyer's Choice with her dam, Bridges 5050 New Design 194, who came to us as the top-selling female of the 2012 Bridges Sale where her dam was the \$20,000 top-selling cow of the offering, and is regarded as one of the three top daughters of 111 in the breed. 4019 is due next February and her dam, 194, will have a calf at side by GAR Missouri 5761. Only 25 non-parent females in the entire breed can match 4019's combination of YW, \$W and \$B.

## SydGen Missy 9813

CED	BW	WW	YW	SC	DOC	HP	CEM	MILK
+5	+1.9	+53	+95	+1.82	+9	+10.2	+9	+33

This productive six-year-old Pathfinder® daughter of SydGen Contact 2063 will be one of the many good fall pairs offered. She is pictured pre-calving, and will have one of the first calves by the \$60,000 SydGen Rock Star 3461, top-selling bull in our 2014 event. She's produced a \$5,000 daughter and a son at \$9,250, and we're retaining a top yearling heifer out of her.

At his accuracy level, only one other sire in the breed can meet or exceed the \$W and \$B Values posted by SydGen 928 Destination 5420 "Whiskey." Despite limited use, he has two sons in the top 20 \$B sires in the breed. This opportunity to choose between two of his very best daughters and their proven dams should be one of the highlights of the fall sale season.

We will also offer the dams of SydGen Rock Star 3461 and SydGen Multi Tool 2432, and one special "Surprise" lot you will read about in the sale book.

Close to 200 herd bull prospects will be offered, and some 270 head of registered females.

Later that night, our customers will offer 200 head of commercial heifers, many bred to Black Pearl, Liberty and Focus.

Don't hesitate to call the farm office at 573-581-1225 if you have any questions about the offering.
