

# Looking forward to: November 19!

Featured in a Buyer's Choice Lot will be this top young Liberty daughter and her January 28 heifer calf by Connealy Cool 39L. From the same Entense family as the 1120 cow featured last month, 1070 has been the cow chosen to represent Liberty daughters in the ORigen and ABS Global sire directories for the last two years. She ranks in the top 1% of proven dams for Heifer Pregnancy and REA EPDs, along with top 3% rankings for SC, top 4% \$B and top 5% for Docility, as well as being a model female phenotypically. Progeny by 9Q20 will also be offered, and she is the dam of the \$12,000 SydGen Googol 4617, now at Belle Point Ranch, Lavaca, AR, that scanned a 20.0 sq. in. REA, largest of our 2015 sale offering that has been used in our program. 1070 will sell bred back to SydGen Multi Tool 2432.
