Young Sires, Multi-Trait Excellence

We have special emphasis on feed efficiency this month, with four young sires that rank in the top 20% or higher for Dry Matter Intake EPD and the top 5% or higher for Residual Average Daily Gain.

Owned with Hinkle's Prime Cut Angus, Nevada, MO. This elite young calving-ease sire ranks in the top 1% for Marbling, RE and Docility EPDs and his first calf crop is exceptional.

Owned with Circle G Angus Ranches, Adel, GA.
Top-selling, top ADG and top \$B Fall Yearling Bull in our 2018
Production Sale, he is an eight-generation product of the SydGen
program and our highest-selling Enhance son.

Owned with Amonett Farms, Byrdstown, TN Son of our record-seller SydGen FATE 2800 and in the elite top 1% for RADG, CW and \$B, as well as the top 10% for both fertility traits.

Owned with Graupman Angus, Palmyra, MO
One of the highest-performing and best scanning Fall Yearlings
in our 2017 event, yet with the phenotype to be named Grand
Champion Bull at the nation's largest state fair Angus show in 2018.

All four of these promising young sires are available to you at the low introductory price of \$20 per unit. For more information on these sires as well as three of their proven sires that are also in our line-up, please call 573-581-1225. Free shipping and volume discounts available on larger orders.
